Boxing Sessions at Riley's Gym- Introductory sessions for all Rivelin pupils focusing on technique and ability to stay regulated during boxing.	All students across Rivelin (Y6 and below). We will take one class at a time; each class will have two lessons.	Students engaged in the session and able to stay regulated during boxing. An adaptive outlet for students' negative thoughts/feelings - providing the students a cathartic experience.	Students loved the sessions; many have gone on to look at starting boxing outside of school time. Students bonded with one another during the sessions, the sessions had a profound positive effect on their mental health, social development and emotional development. Due to high levels of student engagement and enjoyment, we are looking to continue these sessions next term. Without this funding we would not be able to run these sessions and thus our students wouldn't be receiving these cathartic experiences or develop the social/emotional skills they need to function within society. It also helps us achieve the active 30 initiative.	£35 a session x 6 sessions. £210
Boxing Sessions at Rileys Gym-	All students across Rivelin (Y6 and below). We will take one class at a time; each class will have two lessons.	Students to work on the British value of respect and tolerance through the medium of boxing	In the previous term students joined Riley's outside of school time. Found good participation levels within boxing for our female students. All students really enjoyed the introductory lesson hence why we are putting on further sessions for them.	£35 a session for 7 session. £245
